

Eco Creative Spirit - Leaders Guide

A service/guided session looking at our connection to nature and the environment, through readings and guided auditory experience.

This service was originally created for St James's Piccadilly, London UK, monthly 'Creative Spirit' service, in September 2018 by artist Amy Diana Poole. It therefore has bible references and references to God, however if you would like to use this resource without religious affiliation please use the 'Standard' service sheet, rather than 'Christian'.

All resources needed to conduct this service are in the service sheet.

Please be aware that almost all images used in my services are sourced from Pinterest and therefore do not have copyright permissions for distribution outside of spiritual/religious spaces and sessions. And definitely should not be used for sessions with any monetary exchange, such as paid entry.
